

**New Hampshire Department of Health and Human Services
Embedded Master Licensed Alcohol & Drug Counselors (MLADCs)
for the Division for Children, Youth and Families (DCYF)**

**ADDENDUM #1
RFA-2019-DCYF-04-EMBED**

On December 27, 2018 the New Hampshire Department of Health and Human Services published a Request for Applications to solicit applications from individuals to provide screening, assessment, training, consulting and referrals when alcohol and/or substance misuse and/ or abuse has been indicated in a Division for Children, Youth and Families (DCYF) case.

The Department is publishing this addendum to:

- 1. Delete and replace Section 1, Request for Services, Subsection 1.1, Purpose, Paragraph 1.1.2 with:**
 - 1.1.2. The Department will enter into three (3) contracts resulting from this RFA. The Department is seeking to establish one (1) Master Licensed Alcohol/Drug Abuse Counselors (MLADACs), or a license-eligible MLADC, in three (3) of the five (5) catchment areas as follows:
 - 1.1.2.1. Keene.
 - 1.1.2.2. Seacoast.
 - 1.1.2.3. Conway.
 - 1.1.2.4. Berlin.
 - 1.1.2.5. Laconia.
- 2. Delete and replace Section 1, Request for Services, Subsection 1.2, Purpose, with:**
 - 1.2. Overview**
 - 1.2.1. Selected applicants will be involved as embedded drug and alcohol consultants within three (3) District Offices along with Child Protection and Juvenile Justice staff. Selected applicants must provide expertise to the Department on how to assist adult and minor aged individuals with:
 - 1.2.1.1. Reducing barriers to treatment.
 - 1.2.1.2. Accessing community-based treatment and services.
- 3. Delete and replace Section 1, Request for Services, Subsection 1.4, Compensation and Contract Value, Paragraph 1.4.2 with:**
 - 1.4.2. The Department anticipates awarding one contract per catchment in three (3) of the areas identified in Section 1.1, Purpose.
